IV. Reading of the Minutes

- The minutes were read and approved as read.

V. Old Business

- Following up on our outreach to inactive schools in our district, we received responses from the Hoopeston and Rantoul student councils, but unfortunately, they did not attend this meeting. We hope to see them back in the future and will keep reaching out to them with information and updates.
- In lieu of a charity drive at the canceled Fall Retreat, the KDASC board would like to praise the schools that completed their own service projects. Congratulations to Mahomet for their food drive for Mom's Pantry, Tuscola for sponsoring Thanksgiving meals and raising money for Camp New Hope, Unity for their food drive and donation collection, and SJO for their volunteering at Salt and Light.
- After a report given by our treasurer on the current state of our account, we generated this list of ideas for what to do with our funds: matching donations for our next charity drive, lowering the cost of attending our District Convention to around \$10, donating to tornado relief funds or the Red Cross for the areas affected in Illinois, and generally seeking out non-profits that benefit our communities directly.

VI. New Business

- SJO applied and was accepted to host this year's District Convention, with Sydney Reitmeier from SJO being selected as the Convention Secretary to head planning of the event. Sydney contacted the I Hotel, which has been used as the venue in the past, and received a quote of \$1900, which includes catering and use of their podiums, projectors, and other equipment.

VII. Upcoming Deadlines

- The KDASC will be electing its board members for 2022-2023 at the District Convention on March 5th, 2022. More information for applicants will be given soon, so anyone interested in running for an Executive Board position should keep their eyes open and be checking the [KDASC website](#) often. Advisors, please make this opportunity known to your members!

VIII. Adjournment at 4:49 pm
