Fall Retreat

Shiloh school was kind enough to host our Fall retreat. Shiloh had a wonderful guest speaker named Chad Hall, he is the Executive Vice President of Dimond Bros Insurance Agency. Dimond Bros is an independent insurance agency consisting of 37 sales offices located throughout Illinois and Indiana. At Dimond, Chad is responsible for the insurance and skills based training and development for all employees and mergers. Chad is also the director of the Manhood Project. The Manhood Project is a leadership and development organization encouraging men to fulfill their leadership roles at home and in society.

The district board really appreciated Shiloh hosting this event. I think it was a great time had by all and the speaker was fanamonus. Job well done Shiloh!

Students carefully listening to Mr. Hall speak- he was giving away money

Fall retreat, hosted by Shiloh was a very fun experience for me. I enjoyed our guest speaker very much. He taught me how to be a good worker, as well as a person. His speech was both entertaining and inspirational. Mr. Hall had great examples for us to express what he meant which was helpful. I also enjoyed getting Joe's Pizza! The icebreakers we did were also pretty fun and I got to meet some new people. Overall, Fall retreat was very fun and Shiloh did a great job hosting.- Morgan Jones (Tuscola Student Council)

Board Activities

On November 29 of 2017 the Kickapoo District Board met during the Fall retreat. The meeting was just a standard one to continue discussing new member schools. Officers gave their reports and we talked about having a better communication with outside schools. We also discussed what needed to get from each other. We discussed a new flag design and talked about the service project which has been announced prior to state convention.
